the latest version.

# Bona Premium Spray Mop

## for Hard-Surface Floors

All-in-one solution for cleaning your Hard-Surface floors

### PREPARATION

First, remove all loose dust and dry dirt from your floor using a Bona Microfiber Dusting Pad or a vacuum cleaner.

### INSTRUCTIONS FOR USE

See package for instructions on initial assembly.

Insert Bona refillable cleaner bottle into the Spray Mop. Press it firmly into its socket until you hear a click.

Attach the cleaning pad to the mop head. The grey rubberised corners of the mop head should face forward.

Mist cleaner onto a section of the floor and then wipe clean. Continue to clean the floor section by section. Rinse and wring out cleaning pad as it becomes soiled.

On stubborn spots, spray cleaner directly onto the spot and let it work a few minutes before scrubbing and wiping off.

When it is time to refill your bottle, just press the release button for easy removal of bottle and refill with Bona Hard-Surface Floor Cleaner

Cleaning Pad can be washed in 60°C up to 500 times. Do not use fabric conditioner.

*Avoid leaving your mop standing with a wet cleaning pad face-down on the floor surface when done cleaning – this may cause permanent damage to your surface.*
